## DUAL USE DECLARATION

We undersigned declare that SENECA products are designed to be industrial, commercial or residential system components. SENECA products are clearly NOT deemed to be inherently military in character.

### Europe

SENECA products are not included in the list of dual use items and technologies referred to in Council Regulation (EC) No 1334/2000 and its amendment Council Regulation (EC) No 1183/2007.

### USA

SENECA products are neither EAR99 classified, nor require an ECCN (Export Control Classification Nr.).

SENECA products neither fall under ITAR (International Traffic in Arms Regulations) restrictions, nor under the Wassenaar Arrangement on export controls for conventional arms and dual-use goods and technologies.

It is not the duty of SENECA s.r.l. to extend its control over additional treatment or final use of SENECA products. SENECA customers must ensure themselves that their commerce complies with all applicable regulations.
