

## **ENVIRONMENTAL COMPLIANCE DECLARATION REACH - ROHS - SCIP OBLIGATIONS**

SENECA S.r.I., with registered office at Via Austria, 26 – 35127 Padua (PD), Italy, hereby declares that the electronic products designed, assembled and supplied to its customers comply with the applicable regulations on health protection, operator safety and environmental protection, in accordance with the following European directives and regulations.

## REACH (Regulation (EC) No. 1907/2006 and subsequent amendments)

Pursuant to the REACH Regulation, the products supplied by SENECA S.r.l. qualify as *articles* as defined in Article 3(3) of Regulation (EC) No. 1907/2006 and, under normal or reasonably foreseeable conditions of use, do not release substances hazardous to human health or the environment.

With reference to the update of the ECHA Candidate List dated 25 June 2025, which brings the total number of Substances of Very High Concern (SVHC) to 250, including the following newly added substances:

- 1,1,1,3,5,5,5-Heptamethyl-3-[(trimethylsilyl)oxy]trisiloxane (CAS No. 17928-28-8 vPvB)
- Decamethyltetrasiloxane (CAS No. 141-62-8 vPvB)
- Reactive Brown 51 (EC No. 466-490-7 toxic for reproduction)

based on the information currently available, internal assessments and the declarations provided by our component and material suppliers, SENECA S.r.l. declares that none of the SVHC substances included in the ECHA Candidate List, as updated on the above date, are present in its products at concentrations exceeding 0.1% w/w, in accordance with Article 33 of the REACH Regulation.

The updated SVHC Candidate List is available on the official ECHA website:

https://echa.europa.eu/candidate-list-table

Should future regulatory updates or changes in material composition require a new assessment, SENECA S.r.l. undertakes to provide timely communication to the customers concerned, in compliance with the information obligations set out in the REACH Regulation.

## SCIP (Substances of Concern In articles, as such or in complex objects - Products)

In accordance with Article 9(1)(i) of Directive 2008/98/EC, as amended by Directive (EU) 2018/851 and implemented in Italy by Legislative Decree No. 116/2020, SENECA S.r.l. declares that its products are not subject to notification obligations to the SCIP database, managed by ECHA.

This exclusion is justified by the absence of SVHC substances in concentrations exceeding 0.1% w/w in the articles supplied, based on documentary assessments, technical evaluations and official declarations collected throughout the supply chain.

## RoHS (Directive 2011/65/EU - Delegated Directive (EU) 2015/863 and subsequent amendments)

The products of SENECA S.r.I. comply with Directive 2011/65/EU (RoHS II) and its amendment 2015/863/EU (RoHS III), concerning the restriction of the use of certain hazardous substances in electrical and electronic equipment.

The products meet the concentration limits set out in Annex II of the Directive, taking into account the applicable exemptions provided in Annexes III and IV (e.g. controlled use of lead in copper alloys).

Restricted substances and maximum concentration limits:

- Lead (Pb): < 1000 ppm
- Mercury (Hg): < 1000 ppm</li>
- Cadmium (Cd): < 100 ppm</li>
- Hexavalent chromium (Cr VI): < 1000 ppm</li>
- Polybrominated biphenyls (PBB): < 1000 ppm</li>
- Polybrominated diphenyl ethers (PBDE): < 1000 ppm
- DEHP, BBP, DBP, DIBP: each < 1000 ppm

SENECA S.r.l. continuously monitors the evolution of European legislation related to REACH, SCIP and RoHS in order to ensure the ongoing environmental compliance of its products and proper information throughout the supply chain.
